Steps to Protect Children from Gambling Harm

- [ ] Enable parental controls on every device your child uses
- [ ] Remove saved payment details from shared devices
- [ ] Model healthy responses to financial disappointment
- [ ] Give your child a set amount to manage with no option to top up early
- [ ] Watch for secrecy around screen time or requests for money
- [ ] Review device settings and restrictions every few months
- [ ] Talk about the difference between skill and chance in games
